Elite A

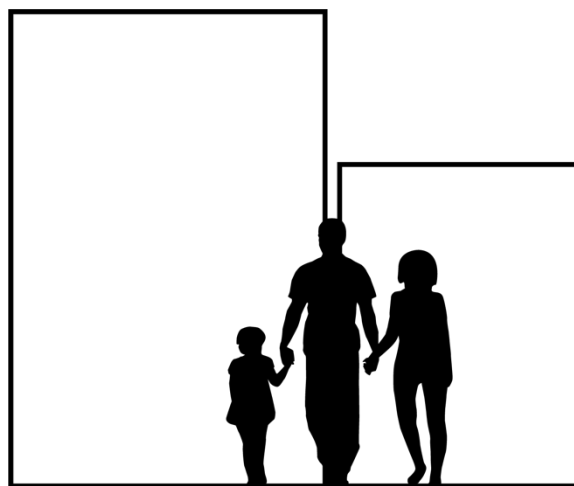

A slab of Elite A Onyx radiates elegance through its deep, rich hues, often ranging from warm browns to subtle yellows, combined with dramatic white or golden veining. The stone's bold contrast of dark and light makes it a stunning feature for luxury spaces, such as feature walls, countertops, or upscale flooring, where it becomes a centerpiece of design. The high polish amplifies its natural translucency, adding a soft glow when backlit.

Glory

Aptly named, Glory Onyx captures the beauty of golden sunlight with its vibrant golden yellows and amber tones. The intricate veining, often appearing as delicate threads of white, enhances its majestic appearance. This slab is ideal for spaces requiring a sense of opulence, such as hotel lobbies or luxury retail stores, where its radiant warmth can create a welcoming and regal atmosphere.
